

WHOLECLAIM CHECKLIST

# Wind & Hail Checklist

What to photograph from the ground and what to save, after a storm leaves damage to your roof, siding, or windows.

## IMMEDIATE ACTIONS

- ☐ Photograph the roof from the ground — do not climb onto the roof
- ☐ Photograph siding, windows, and fencing
- ☐ Date-stamp photos the same day as the storm, if possible

## DOCUMENT THE DAMAGE

- ☐ Save a weather report or storm-date reference
- ☐ Note the approximate time the storm occurred

## KEEP RECORDS

- ☐ Save any temporary repair invoices (tarps, board-up services)
